# William S. Hutchings Career Center

2011 Riverside Dr. - Macon, Georgia 31204 - (478) 621-2535

The William S. Hutchings Career Center seeks to develop the innate leadership potential in all of its students with a *future focused*, academically challenging, technology enriched curriculum. Embedded within this career academy is "The Hutchings Way," a philosophy that teaches and models respect, integrity and dignity for all.

The William S. Hutchings Career Center is not merely a school; ***it is a way of life.***

**Mrs. Perkins  
and  
Dr. Ford**  
*Assistant Principals*

From the core of my being I want to create an environment that finds a way to touch the life of everyone who enters it. I want to build connections, to develop potential and to help young people understand the promise of their future. I want to build an academic setting that supports that promise. That is what I dream. ~Mrs. Perkins

Rigorous, relevant educational opportunities for all students. The ability to complete a college-prep/dual seal or a tech-prep diploma, while acquiring industry level certification in the Career Major of your choice! Since coming to the Hutchings Career Center, these ideals have grown into my consuming vision. We have the ability to become a high school providing the greatest opportunity for all who attend and to be a beacon for all other high schools in the state to emulate. ~Dr. Ford

### Stand Up!!!

for what you believe in.

Stand for something or you will fall for anything.

"Let us not be weary in doing good; for at the proper time,

we will reap a harvest if we do not give up.

Therefore, as we have opportunity, let us do good..."

# EXCEL CLUB

EXCEL Clubs are groups of high school students dedicated to improving their schools, communities and country through volunteerism. As members of EXCEL, Clubs serve their communities; they also develop valuable leadership and networking skills. EXCEL Club members learn by doing. The students, with the help of a school advisor, lead the club, decide on how to serve their school and community and then get actively involved in doing just that.

Each EXCEL Club is sponsored and mentored by a local Exchange Club. All high school students are welcome to get involved. EXCEL Clubs can be formed in any secondary school, including public, private, parochial and vocational schools. The two basic requirements are to recruit young people who are willing to take on the challenge of becoming charter members of a youth organization, and the sponsoring Exchange Club must have the dedication to advise and guide EXCEL Club to fruition.
